## PAUSE FOR THOUGHT

### By His Wounds

*"Look at my hands and my feet, that it is I myself. Touch me and see, because a ghost does not have flesh and bones as you can see I have."* ~Luke 24:39

We can appreciate that in the days immediately following His Resurrection, Jesus needs to find tangible evidence to assure His frightened disciples that it is indeed Himself risen and among them. The disciples have already heard an astonishing story from the two travelers who unknowingly accompanied Jesus to Emmaus. Now He stands before them.

Perhaps especially moving about this account is the way Jesus chooses to prove his presence: by showing His wounds. By the marks of the nails driven through His hands and feet. By the gash on His side where He had been pierced by a soldier's sword. Draw near, look and touch, Jesus invites.

Draw near, look and touch, Jesus says to each of us today. May we never hesitate, never fear to draw close to His loving, compassionate heart.

*Sr. Chris Koellhoffer L.H.M. - [Living Faith](#) - April 2024*

### SOCIETY OF ST. VINCENT DE PAUL NEWS

#### Helping a Family Struggling with Homelessness

*"Give and it will be given to you."  
 ~Luke 6:38.*

The single greatest systemic cause of homelessness in the US is a lack of affordable housing. A report by the National Low Income Housing Coalition found that Ohio fails to have an adequate supply of affordable rental housing. This has driven thousands of families to end up homeless. In Ohio, there are over 10,000 homeless people on a given night of which 3,000 are families.

Samantha and her four children are an example of a Columbus family struggling with homelessness. Last year, they were required to stay at the homeless shelter for a period of time after her husband left the family. Last summer, Samantha found a job working as a troubleshooter for a computer company and the family finally moved into an apartment that fit their needs. However, recently unexpected medical expenses caused the family to fall behind in their rent and an eviction was filed. Stopping this eviction was critical to keep this family from returning to homelessness. The Society of St. Vincent de Paul organizations (SVDP) provided the rent assistance to stop eviction proceedings and supplied the family with food and other resources for additional help. Samantha has since received a promotion at work and the family should be able to meet their expenses going forward.

Since August of 2020, our St. Timothy Conference has partnered with other SVDP organizations and has assisted 375 families with their past-due rent and utilities through our home visit program. Most of these families were facing eviction after struggling to make their monthly rent and utility bills.

We are very grateful to have your support and commitment. Together, we can fulfill our mission of providing emergency assistance to individuals and families in need of housing, food and clothing.
